1st Team Meeting
Sunday, December 10
@ 11:45 AM
in the Kids Assembly Room

Annual Auction
March 10, 2018

The difficulty of each team will be discussed at the first team meeting. Depending on time of travel, mode of transportation, climate at site, amount of physical labor and tasks to be done some trips may not be suitable for all. Participants may be asked to get doctor's approval before being assigned to a trip.

The mission team experience focuses on...

- ▶ **building relationships**
- ▶ **expanding your world view**
- ▶ **serving through a “ministry of presence”**

Teams generally get involved in some type of work project, but we don't emphasize them as the primary goal of the trip. The reason? We want teams to focus on building relationships, learning about ministry and sharing the love of Christ.

INDIVIDUAL TRIPS

We support missionaries who from time to time make trips to Peru, China, Africa. These trips can be evangelistic trips through music, teaching, sports and other avenues. If you feel that God is calling you to branch out and experience a trip with one of our supported missionaries please contact the Missions Office.

mid-July – early August

Work with Miqlat at their two orphan care centers—building relationships and helping staff with daily programs. The team will take some of the older Malawi students away for several days to a camp in Mount Mulanje. These days of spiritual retreat are a time of growing deeper in the word of God, a time of bonding, and a time of great fun. For many of these students even though they can see the mountain from their village this will be their one and only time to get away.
