TODAY WE ASKED THE QUESTION...
How do I deal with the hardships and struggles of life?

WE FOUND THE ANSWER IN...
Isaiah 40:25-31; Luke 2:25-35

TODAY THE BIG THING WE LEARNED WAS THAT...
I can cope with the hardships of life because of the hope I have in Jesus Christ.

TO KEEP ME THINKING, YOU SHOULD ASK ME THIS QUESTION...
Big kids: What is a hard thing in your life right? How do you get past it?
Small kids: What makes you upset/mad?
Teach your kids how Jesus had a hard life, and how he trusted God to get him through.

TO REINFORCE WHAT WE LEARNED, WE SHOULD...
Big and small kids: When you encounter a difficulty this week (big or small), stop and pray with your kids, asking God to give you what you need to make it through. When the difficulty has past, make sure that you stop and thank God for getting you through.

EVERY BEDTIME THIS WEEK, WE SHOULD PRAY...
Thank you God for being there for me in all the hard times in life.
Please help me to trust in you even when I can't feel you're near,
because I know you really are there.
