

SERVING ON OUR GUEST SERVICES TEAM

WHAT IS “GUEST SERVICES”?

It's an opportunity to engage with new guests!

When first-timers come onto our campus, we direct them to connect with our Guest Services team. These volunteers get to meet new people, answer questions, and give newcomers a gift to welcome them to our church! They get to help make a great first impression for those who may be unfamiliar to Fair Oaks and church in general.

HOW CAN I HELP?

Sunday Mornings

- Team Huddle before serving
- Serve: 8:30-9:10am
- Serve: 10-10:30am
- Serve: 11:30-11:45am

WHAT TO EXPECT?

Expect to be a host of our church campus! You'll get to meet new people, collect communication cards, help guests find where they are trying to go, and to make everyone feel welcome.

Don't worry, we will train you so you'll be an expert in no time!

WHEN DO I START?

Someone from our team will be contacting you to follow up. We are looking for a commitment of serving once a month. Thanks for finding your spot serving with us!
